**Lodging Preference:** Almost all (heated) bunk rooms have attached bathrooms. Of the four 6-persons rooms, one will be for men only and one for women only. There is also one 8-persons room and one 4-persons room (that one has a bathroom down the hall). As we are not expecting to be at capacity, we will space folks out for the lowest density possible.

**If you are staying overnight, please select your preference below:**
